BY DOWNLOADING THE SOFTWARE AND/OR CLICKING THE APPLICABLE BUTTON TO COMPLETE THE INSTALLATION PROCESS, YOU CONSENT TO THE TERMS OF THIS EULA AND YOU AGREE TO BE BOUND BY THIS EULA. IF YOU DO NOT WISH TO BECOME A PARTY TO THIS EULA AND BE BOUND BY ALL OF ITS TERMS AND CONDITIONS, CLICK THE APPROPRIATE BUTTON TO CANCEL THE INSTALLATION PROCESS, AND DO NOT INSTALL OR USE THE SOFTWARE

BY DOWNLOADING, INSTALLING, OR USING THE SOFTWARE, YOU AGREE TO THE TERMS OF THIS EULA ON YOUR OWN BEHALF AND, IF YOU ARE USING THE SOFTWARE WITHIN THE SCOPE OF YOUR EMPLOYMENT OR OTHER SERVICE RELATIONSHIP WITH AN ORGANIZATION, YOU ALSO AGREE TO THE TERMS OF THIS EULA ON BEHALF OF SUCH ORGANIZATION AND YOU REPRESENT THAT YOU ARE AUTHORIZED TO BIND SUCH ORGANIZATION TO THIS EULA.

This EULA may be part of a master purchase agreement, master services agreement, purchase order, or similar agreements or set of purchasing or ordering documents under which a Client has purchased a license to use the SOFTWARE (as defined more fully below, the "**Purchase Agreement**"). This EULA governs use by Client and all entities and individuals to whom Client provides access to the SOFTWARE.

1. Definitions. As used in this EULA, the following terms have the following meanings:

- A. "Agreement" Means this EULA together with the Purchase Agreement, if any, and any and all applicable Specific Product Addenda.
- B. "Authorized User" means an individual that Client has authorized to use the SOFTWARE on Client's behalf.
- C. "Client" means the contracting party that has entered into a Purchase Agreement with GRL or has otherwise purchased a license to the SOFTWARE.
- D. "Computer" or "computer" Refers to one computing device or, if the SOFTWARE is being used in connection with a virtual machine, one virtual machine on one computing device.
- E. "EULA" or "End User License Agreement" means this Software End User License Agreement.
- F. "GRL" Means Granite River Labs Asia Pacific Pte. Ltd., a Singapore corporation 51 Goldhill Plaza, #07-10/11, Singapore 308900 or its authorized distributor.
- G. "Purchase Agreement" means, a purchase agreement, licensing agreement, accepted purchase order, or similar agreement(s) between Client and GRL or between Client and GRL's authorized distributor under which a Client has agreed to purchase a license to use SOFTWARE, which agreement(s) and document(s) set forth the fees to be paid and license type.
- H. "Restricted License" Means a license that requires, or purports to require, as a condition of use, modification, or distribution, that (i) other software code incorporated into, derived from or distributed with such software code be (A) disclosed or distributed in source code form; (B) licensed for the purpose of making modifications or derivative works; or (C) redistributable at no charge, or (ii) otherwise impose or could impose any other material limitation, restriction, or condition on the right or ability of GRL to distribute or license the SOFTWARE under terms of its choice or to refuse to license or distribute the SOFTWARE to any person at GRL's discretion.
- I. "SOFTWARE" means the computer software produced by GRL that you have acquired a license to use.

- J. "Specific Product Addendum" Means an addendum to this EULA or addendum to the Purchase Agreement that is identified as a Granite River Labs Software License Agreement Product Addendum. A Specific Product Addendum contains terms and conditions which apply with respect to the specific SOFTWARE product(s) identified in the Specific Product Addendum.
- K. "You" and "you", regardless of capitalization, means all of the following, unless the context indicates otherwise: (a) Client, (a) you, the individual using the SOFTWARE, and (c) if you are using the SOFTWARE within the scope of your employment or other service relationship with an organization other than Client (e.g., with an organization that is a subcontractor, service provider, or other sublicensee of Client), such organization.
2. Grant of License. In consideration of, and conditioned upon, Client's payment of the applicable fees to GRL, GRL hereby grants you a limited, non-exclusive right to use (in accordance with one of the license types listed below) the SOFTWARE pursuant and subject at all times to the terms and conditions of the Purchase Agreement and this EULA. Unless otherwise provided in the Purchase Agreement, the applicable license type is an Evaluation License as described in Section 2.C. below. The SOFTWARE is in "use" when loaded into temporary memory (i.e., RAM) or installed into permanent memory (e.g., hard disk, CD-ROM, DVD-ROM, network storage device, or other storage device). Except as expressly authorized under this Section 2, floating, concurrent, or shared use is not permitted under this Agreement unless it is expressly authorized in the applicable Purchase Agreement. The specific use rights granted to Client are as follows and depend upon the type of license you have acquired:
- A. Named User License. If Client has acquired a Named User License, the Client must designate in writing (through the GRL registration process) one (1) of its employees to serve as the named Authorized User for the license (the "Named User"). The SOFTWARE may be installed on up to two computers in a single workplace of the designated Named User. Only the designated Named User, however, may use or otherwise run the SOFTWARE, and the SOFTWARE may not be run concurrently (i.e., it may only be launched on one computer at a time). Client may convert a Named User License to a Computer-Based License by paying the applicable fees and amending Client's Purchase Agreement. In the case of a Named User License, if any of the computers on which the SOFTWARE may be installed is a laptop, notebook or similar portable computer, or, in the case of a computer based license, if the single computer is a laptop, notebook or similar portable computer, you may use the SOFTWARE on the portable computer while temporarily away from your workplace for the same purpose permitted by this Agreement as you normally use the SOFTWARE on the portable computer while in your workplace.
- B. Computer-Based License If the Client has acquired a Computer-Based License or converted a Named User License to a Computer-Based License as described in Section 2.A., the SOFTWARE may only be installed and used on one (1) computer in Client's workplace. Under a Computer-Based License, while all of the SOFTWARE must be installed and used on the same computer, there is no limitation on the number of Client's employees that may access and use the SOFTWARE on such computer; provided, however, that the SOFTWARE may not be run concurrently (i.e., only one instance of the SOFTWARE can be launched on one computer at a time).
- C. Evaluation License; Pre-Release Software. If you have acquired an Evaluation License, you may install and permit your employees to use the SOFTWARE on computers in your workplace for internal evaluation purposes only. If the computers are laptop, notebook or similar portable computers, you may use the SOFTWARE on the portable computers while temporarily away from your workplace for internal evaluation purposes only in the same manner as you would normally do so on the portable computers while in your workplace. You will be deemed to have an Evaluation License for all SOFTWARE that has been provided to you by GRL and for which you do not have a written document from GRL or Purchase Agreement expressly designating a different type of license granted to you for the SOFTWARE. The Evaluation License is for your own internal use only. You also agree to use reasonable efforts to provide feedback to GRL regarding your use of the SOFTWARE, including promptly reporting to GRL errors or bugs that you might find. You also acknowledge and agree that the SOFTWARE IS EVALUATION ONLY AND/OR PRE-RELEASE SOFTWARE. AS SUCH, THE SOFTWARE MAY NOT BE FULLY FUNCTIONAL AND YOU ASSUME THE ENTIRE RISK AS TO THE RESULTS AND PERFORMANCE OF THE SOFTWARE. GRL WILL NOT UPDATE THE SOFTWARE, NOR WILL GRL SUPPORT THE SOFTWARE. THE SOFTWARE MAY CONTAIN CODE THAT WILL, AFTER A CERTAIN TIME

PERIOD, DEACTIVATE THE SOFTWARE AND RENDER THE SOFTWARE UNUSABLE. ALTHOUGH THE SOFTWARE MAY WARN YOU OF THE TIME-FRAME IN WHICH IT WILL BE DISABLED, YOU ACKNOWLEDGE AND AGREE THAT THE SOFTWARE MAY BE DEACTIVATED OR RENDERED UNUSABLE WITH OR WITHOUT WARNING. Upon such deactivation, this EULA and the license granted hereunder will be considered terminated. Prior to deactivation of the SOFTWARE, you may contact GRL to convert your Evaluation License for the SOFTWARE to a Named User License or Computer Based License, under such terms, and to the extent, if any, that GRL generally makes such licenses available for the SOFTWARE, or such other license as GRL may (in its sole discretion) permit by paying to GRL the applicable license fee and obtaining from GRL the applicable authorization code(s). GRL may (in its sole discretion and upon notice to you) terminate the Evaluation License at any time, whereupon this EULA and the license granted hereunder will be considered terminated.

- D. Other License Types. The applicable Purchase Agreement may define a new license type not listed above or may otherwise include customized terms regarding the scope, usage rights, and restrictions that differ from those described for the license types listed above.
3. Third Party Contractors. A third party contractor that you have engaged may (if you desire) access and use the SOFTWARE solely for the Client's benefit; provided: (i) the contractor (or, if applicable, its employee) shall be considered, as applicable, the Named User or an Authorized User for purposes of the applicable license type, and all use by such contractor shall be in accordance with the terms and conditions of this Agreement, (ii) before accessing the SOFTWARE, the contractor agrees in writing that (a) the SOFTWARE shall be used solely in accordance with the terms of this Agreement and solely for your benefit and (b) the contractor shall be liable to GRL for any breach by it of this Agreement, and (iii) you hereby agree and acknowledge that you will also be liable for any and all actions or omissions of the contractor with respect to the use of the SOFTWARE, as if such actions or omissions were your own.
4. License Term and Termination. This EULA shall continue for the duration of the license term for the SOFTWARE specified in the Purchase Agreement or until its earlier termination. This EULA shall automatically terminate upon (i) expiration or termination of the Purchase Agreement for any reason or (ii) failure by you to comply with the terms of this EULA. The Purchase Agreement may specify other events of termination. Upon termination or expiration of this EULA, regardless of the reason, the license grants contained herein shall terminate and you must immediately cease all use of the SOFTWARE, and immediately destroy all copies of the SOFTWARE, provided however that you must deliver the SOFTWARE and all copies to GRL if GRL has so demanded prior to such destruction. Any provisions of this EULA that are intended to survive expiration or termination of this Agreement as indicated by their express terms, nature, or context, including without limitation Section 5 and Sections 9 through 13, inclusive, of this EULA, shall survive any such expiration or termination.
5. Restrictions.
- A. You may not: (i) reverse engineer, decompile, or disassemble the SOFTWARE, decode or otherwise attempt to derive or gain access to the source code of the Software or any part thereof (except to the extent such foregoing restriction is expressly prohibited by applicable law); (ii) use the SOFTWARE to gain access to unencrypted data in a manner that defeats the digital content protection provided in the SOFTWARE; (iii) sub-license, lease, lend, or rent, distribute, publish, transfer or otherwise make available the SOFTWARE or any features or functionality of the SOFTWARE, to any third party for any reason, whether or not over a network and whether or not on a hosted basis, including in connection with the internet, web hosting, wide area network (WAN), virtual private network (VPN), virtualization, time-sharing, service bureau, software as a service, cloud or other technology or service, except as expressly permitted by the applicable Purchase Agreement; (iv) disclose in whole or in part, distribute in whole or part, modify, or create derivatives of the SOFTWARE; (v) distribute or publish applications created with the SOFTWARE except as expressly permitted by the applicable Purchase Agreement; (vi) combine the SOFTWARE or any part thereof with, or incorporate the SOFTWARE or any part thereof in, any other software programs; (vii) take any action that results in any of the SOFTWARE being subject to an Restricted License; or (viii) directly or indirectly, export, re-export, download, transmit, or ship the SOFTWARE in violation of Section 20.D. or otherwise in violation of any applicable laws or regulations, including those of the U.S., the European Union or the jurisdiction in which you use or are downloading the SOFTWARE; or (ix) install or use the SOFTWARE on a network storage device unless the

applicable Purchase Agreement expressly permits such installation and use; (x) use the SOFTWARE or its output for purposes of competitive analysis of the SOFTWARE, the development of a competing software product or service or any other purpose that is to GRL's commercial disadvantage; or (xi) use the SOFTWARE in, or in association with, the design, construction, maintenance or operation of any hazardous or safety-critical environments or systems.

- B. All uses of the SOFTWARE shall be in accordance with the applicable documentation that accompanies the SOFTWARE and not in any manner intended to (or that) circumvents such documentation or the intent of this Agreement. Except as expressly permitted in the Purchase Agreement or in Section 2 of this EULA, under no circumstance is "floating," shared, or concurrent use permitted under this Agreement.
 - C. The use of the SOFTWARE is intended only for use with content owned by the user, public domain content or content you otherwise have the legal right to use. You agree that you shall only use the SOFTWARE and documentation in a manner that complies with all applicable laws in the jurisdictions in which you use the SOFTWARE and documentation, including applicable restrictions concerning copyright and other intellectual property rights. You may not use the SOFTWARE in an attempt to, or in conjunction with, any device, program or service designed to, circumvent technological measures employed to control access to, or the rights in, a content file or other work protected by the copyright laws of any jurisdiction.
- 6. Transfer. If you have a Named User License, Computer-Based License, or such transfer is otherwise expressly permitted by the Purchase Agreement, you may transfer the SOFTWARE to a third party provided that you notify GRL in writing of such transfer (including the name and location of such third party), such third party accepts the terms and conditions of this Agreement, and after such transfer, you do not retain any copies of the SOFTWARE nor retain any of the written materials accompanying the SOFTWARE. GRL may, in its discretion, charge you a fee for the transfer of the SOFTWARE. Except as expressly permitted by this EULA and the Purchase Agreement, the licenses granted under this Agreement are non-transferable and you may not, without the prior written consent of GRL, distribute or otherwise provide the SOFTWARE to any third party or to any of your sites or facilities not expressly identified in the applicable documents from GRL.
 - 7. Multiple Versions (CD-ROM/DVD-ROM Media). If the SOFTWARE is distributed on a CD-ROM or DVD-ROM containing multiple versions of the SOFTWARE for use with different operating systems, you may only use one version of the SOFTWARE, unless the Purchase Agreement expressly permits use of more than one version.
 - 8. Software/Hardware Key. If the SOFTWARE requires a software key code or a hardware key, you acknowledge that the SOFTWARE will not function without a certain unique software key code or hardware key. This software key code or hardware key will be furnished to you by GRL and you agree that such software key code and hardware key is to be used solely with the SOFTWARE for which it is provided. While GRL may (in its sole discretion) provide you with the applicable key prior to receipt from you of the applicable license fees, you will remain obligated to pay such fees to GRL.
 - 9. Copyright; No Other Licenses. The SOFTWARE, and all copies of the SOFTWARE, are owned by GRL or its suppliers and are protected by applicable copyright and other intellectual property laws. The SOFTWARE, and copies thereof, are licensed only, and are not sold or leased. Therefore, you must treat the SOFTWARE like any other copyrighted material. You may, however, (i) make a reasonable number of copies of the SOFTWARE solely for backup or archival purposes and (ii) make a reasonable number of copies of the documentation that accompanies the SOFTWARE solely for your internal use in connection with your use of the SOFTWARE. In no event may you remove or alter any copyright, patent, trademark, or other legal notices or disclaimers that exist in the SOFTWARE. All rights not expressly granted to you in this Agreement are reserved to GRL.
 - 10. Trademark Notice. Granite River Labs is a trademark of GRL or its affiliates. Further, all other product and company names mentioned herein are (or may be) trademarks or trade names of their respective companies.
 - 11. Feedback. If you provide any feedback to GRL regarding GRL products or services, including without limitation any suggested changes or improvements to the SOFTWARE, such as suggestions for new

features or functionality (collectively, “**Feedback**”), you hereby grant to GRL a worldwide, royalty-free, non-exclusive, perpetual, irrevocable, fully transferable right and license to use, copy, modify, display, and distribute such Feedback for any purpose and to incorporate such Feedback into the SOFTWARE or into other GRL products or services.

12. Warranty Disclaimer. SOFTWARE provided under an Evaluation License is provided “as is” without warranty of any kind, express or implied. The warranty for SOFTWARE provided under any other license type, if any, shall be set forth in the applicable Purchase Agreement. EXCEPT AS EXPRESSLY SET FORTH IN THE APPLICABLE PURCHASE AGREEMENT, NO WARRANTIES, EXPRESS OR IMPLIED, BY OPERATION OF LAW OR OTHERWISE, ARE MADE WITH RESPECT TO THE SOFTWARE, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT. GRL EXPRESSLY DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES THAT MAY ARISE FROM USAGE OF TRADE OR COURSE OF DEALING OR PERFORMANCE. GRL DOES NOT WARRANT, GUARANTEE, OR MAKE ANY REPRESENTATIONS REGARDING THE USE OF OR THE RESULTS OF THE USE OF THE SOFTWARE IN TERMS OF CORRECTNESS, ACCURACY, COMPATIBILITY, RELIABILITY, OR OTHERWISE AND DOES NOT REPRESENT OR WARRANT THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE OR THAT THE SOFTWARE WILL MEET CLIENT’S REQUIREMENTS OR ACHIEVE ANY INTENDED RESULTS.
13. Limitation of Liability. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL GRL OR ITS LICENSORS OR SUPPLIERS (INCLUDING THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES, AND AGENTS) BE LIABLE TO CLIENT, YOU, OR TO ANY PARTY FOR ANY LOSS OF USE, LOST REVENUE, LOST PROFITS, LOST SAVINGS, BUSINESS INTERRUPTION, OR LOSS OF DATA OR BUSINESS INFORMATION OR FOR LOSS OF ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY, OR CONSEQUENTIAL DAMAGES OF ANY KIND, WHETHER ARISING OUT OF BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, REGARDLESS OF WHETHER SUCH DAMAGE WAS FORESEEABLE AND WHETHER OR NOT SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHERMORE, IN NO EVENT WILL THE AGGREGATE LIABILITY OF GRL OR ITS LICENSORS OR SUPPLIERS (INCLUDING THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES, AND AGENTS) ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE SOFTWARE EXCEED THE AMOUNTS PAID OR PAYABLE BY CLIENT FOR THE SOFTWARE THAT IS THE SUBJECT OF THE CLAIM. You acknowledge that the applicable fees and prices reflect this allocation of risk. Because some jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitations may not apply to you.
14. No Liability Other than to Client. IN NO EVENT WILL GRL OR ITS AFFILIATES, OR ANY OF ITS OR THEIR RESPECTIVE LICENSORS OR SERVICE PROVIDERS, BE LIABLE TO ANY AUTHORIZED USER, ENTITY, OR PERSON OTHER THAN CLIENT FOR (A) ANY USE, INTERRUPTION, DELAY OR INABILITY TO USE THE SOFTWARE, OR (B) FOR ANY ERRORS, OMISSIONS, OR INACCURACIES IN ANY DATA, REPORTS, OR OTHER OUTPUT GENERATED, ACCESSED, UPLOADED, COLLECTED, OR PROVIDED TO, BY, OR THROUGH THE SOFTWARE. AUTHORIZED USERS ARE PROVIDED THE SOFTWARE PURSUANT TO THE PURCHASE AGREEMENT BETWEEN GRL AND CLIENT, SOLELY FOR THE BENEFIT OF CLIENT AND AT CLIENT’S DISCRETION. YOU, THE AUTHORIZED USER, ACKNOWLEDGE THAT YOU HAVE NO RIGHTS UNDER THAT PURCHASE AGREEMENT INCLUDING ANY RIGHTS TO ENFORCE ANY OF ITS TERMS. ANY OBLIGATION OR LIABILITY OF GRL OR ITS AFFILIATES, OR ANY OF ITS OR THEIR LICENSORS OR SERVICE PROVIDERS, MAY HAVE WITH RESPECT TO AN AUTHORIZED USER’S USE OR INABILITY TO USE THE SOFTWARE OR ASSOCIATED DATA OR REPORTS SHALL BE SOLELY TO CLIENT PURSUANT TO THE PURCHASE AGREEMENT AND SUBJECT TO ALL LIMITATIONS OF LIABILITY, WARRANTY DISCLAIMERS, AND OTHER PROVISIONS SET FORTH HEREIN AND THEREIN.
15. Warning. (1) GRL PRODUCTS ARE NOT DESIGNED WITH COMPONENTS AND TESTING FOR A LEVEL OF RELIABILITY SUITABLE FOR USE IN OR IN CONNECTION WITH SURGICAL IMPLANTS OR AS CRITICAL COMPONENTS IN ANY LIFE SUPPORT SYSTEMS WHOSE FAILURE TO PERFORM CAN REASONABLY BE EXPECTED TO CAUSE SIGNIFICANT INJURY TO A HUMAN. (2) IN ANY APPLICATION, INCLUDING THE ABOVE, RELIABILITY OF OPERATION OF THE SOFTWARE PRODUCTS CAN BE IMPAIRED BY ADVERSE FACTORS, INCLUDING FLUCTUATIONS IN ELECTRICAL POWER SUPPLY, COMPUTER HARDWARE MALFUNCTIONS,

COMPUTER OPERATING SYSTEM SOFTWARE FITNESS, FITNESS OF COMPILERS AND DEVELOPMENT SOFTWARE USED TO DEVELOP AN APPLICATION, INSTALLATION ERRORS, SOFTWARE AND HARDWARE COMPATIBILITY PROBLEMS, MALFUNCTIONS OR FAILURES OF ELECTRONIC MONITORING OR CONTROL DEVICES, TRANSIENT FAILURES OF ELECTRONIC SYSTEMS (HARDWARE AND/OR SOFTWARE), UNANTICIPATED USES OR MISUSES, OR ERRORS ON THE PART OF THE USER OR APPLICATIONS DESIGNER (ADVERSE FACTORS SUCH AS THESE ARE HEREAFTER COLLECTIVELY TERMED "SYSTEM FAILURES"). ANY APPLICATION WHERE A SYSTEM FAILURE WOULD CREATE A RISK OF HARM TO PROPERTY OR PERSONS (INCLUDING THE RISK OF BODILY INJURY AND DEATH) SHOULD NOT BE RELIANT SOLELY UPON ONE FORM OF ELECTRONIC SYSTEM DUE TO THE RISK OF SYSTEM FAILURE. TO AVOID DAMAGE, INJURY, OR DEATH, THE USER OR APPLICATION DESIGNER MUST TAKE REASONABLY PRUDENT STEPS TO PROTECT AGAINST SYSTEM FAILURES, INCLUDING BACK-UP OR SHUT DOWN MECHANISMS. BECAUSE EACH END-USER SYSTEM IS CUSTOMIZED AND DIFFERS FROM GRL'S TESTING PLATFORMS AND BECAUSE A USER OR APPLICATION DESIGNER MAY USE GRL PRODUCTS IN COMBINATION WITH OTHER PRODUCTS IN A MANNER NOT EVALUATED OR CONTEMPLATED BY GRL, THE USER OR APPLICATION DESIGNER IS ULTIMATELY RESPONSIBLE FOR VERIFYING AND VALIDATING THE SUITABILITY OF GRL PRODUCTS WHENEVER GRL PRODUCTS ARE INCORPORATED IN A SYSTEM OR APPLICATION, INCLUDING THE APPROPRIATE DESIGN, PROCESS, AND SAFETY LEVEL OF SUCH SYSTEM OR APPLICATION.

16. U.S. Government Rights. The SOFTWARE is a "commercial item" developed exclusively at private expense, consisting of "commercial computer software" and "commercial computer software documentation" as such terms are defined or used in the applicable U.S. acquisition regulations. If you are an agency, department, or other entity of the United States Government, the SOFTWARE is licensed hereunder (i) only as a commercial item and (ii) with only those rights as are granted to all other licensees pursuant to the terms and conditions of this Agreement. You agree not to use, duplicate, or disclose the SOFTWARE in any way not expressly permitted by this Agreement. Nothing in this Agreement requires GRL to produce or furnish technical data for or to you.

17. Compliance.

- A. You agree to make all applicable records available for review by GRL during your normal business hours so as to permit GRL (upon reasonable notice to you) to verify your compliance with the terms and conditions of this Agreement. Further, if you are a business or other entity, you agree that upon the request of GRL or GRL's authorized representative, you will promptly document and certify in writing to GRL that your and your employees' use of the SOFTWARE complies with the terms and conditions of this Agreement. GRL may (upon written notice) inspect your use of the SOFTWARE during your normal business hours to ensure your compliance with this Agreement. If the results of any such inspection indicate the underpayment by you of applicable fees due and payable to GRL, you shall (i) immediately pay such amounts to GRL; and (ii) reimburse GRL for the cost of such inspection.
- B. You agree that the SOFTWARE may collect and communicate certain software, hardware, and use information to GRL's (or its service providers') servers for the purposes of (i) checking for and performing any updates, (ii) ensuring that you have complied and are complying with the terms and license conditions in this Agreement, including your use of valid software key codes or hardware keys or both, and (iii) GRL's internal product development. The information collected and communicated does not include any proprietary application data. GRL will not provide any of the information to any third party except as required (a) by law or legal process, or (b) to enforce compliance with the terms and license conditions in this Agreement, including your use of valid software key codes or hardware keys or both.

18. General.

- A. This EULA is governed by the laws of the State of California, United States, exclusive of any provisions of the United Nations Convention on the International Sale of Goods, and without regard to principles of conflicts of law; and the exclusive venue for all actions under this EULA will be the courts located in the State of California, United States.
- B. This EULA along with the Purchase Agreement constitute the complete agreement between you

- and GRL regarding the SOFTWARE and supersedes any oral or written proposals, prior agreements, purchase orders, or any other communication between you and GRL relating to the subject matter of this Agreement. A waiver by GRL of any breach of any provision hereof shall not be construed to be a waiver of any succeeding breach of that provision or of any breach of any other provision. No modification of this EULA shall be effective unless set forth in a writing signed by a duly authorized representative of you and GRL. The word "including" as used in this EULA shall be understood as meaning "including without limitation".
- C. If any action is brought by either party to this EULA against the other regarding the subject matter hereof, the prevailing party shall be entitled to recover, in addition to any relief granted, reasonable attorney fees and court costs.
 - D. The SOFTWARE is, and any third party software provided by GRL with the SOFTWARE may be, subject to control under the U.S. Export Administration Regulations (15 CFR Part 730 et. seq.), other applicable U.S. export control laws and regulations, and applicable global export control laws and regulations, including, for products exported from the European Union, the Council Regulation (EC) No. 428/2009 (the "Regulation") and the Hungarian Government Decree No. 50/2004 (III. 23.). You agree that you will not export, re-export or transfer any SOFTWARE or third party software provided by GRL with the SOFTWARE via any means to any prohibited destination, entity or individual without the required export license(s) or authorization(s) from the U.S. Government and/or other applicable export licensing authority. GRL reserves the right not to ship or permit downloading of the SOFTWARE ordered if, at any time, GRL believes that such shipment or downloading of such SOFTWARE or any third party software provided by GRL with such SOFTWARE, may violate U.S. and/or other applicable export control laws. If you are downloading the SOFTWARE, you hereby represent and warrant to GRL as follows: (i) you are not located in, or under the control of, any country the laws and regulations of which prohibit importation of the SOFTWARE or any third party software provided by GRL with the SOFTWARE; and (ii) you are not located in, or under the control of, any country to which the laws and regulations of the U.S. and/or other applicable export control laws prohibit exportation of the SOFTWARE or any such third party software.
 - E. The invalidity or unenforceability of any term of this EULA in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms or the validity or enforceability of such term in any other situation or in any other jurisdiction. If a final judgment declares any term hereof to be invalid or unenforceable, the court making the determination shall have the power to limit the term, to delete specific words or phrases, or to replace it with a term that is valid and enforceable and that comes closest to expressing the intention of replaced term, and this EULA shall be enforceable as so modified. However, in the event that such court declines to modify such provisions, then the parties will in good faith negotiate a modification to the provision to the minimum extent necessary to render it valid and enforceable in conformity with the parties' intent as manifested herein.
